James,

Could you please complete the Performance Measure Review section of the FY-18 SDOH-BPR document attached? If possible could you have it completed by this Wednesday or Thursday? We are approaching the Christmas holidays and several folks will be out of the office when the document is due December 29<sup>th</sup> and we need to build in some review time.

Thanks,

I've updated my portion of the Mission and Governance Document (highlighted in yellow). Joy – are you taking the coordinating pulling the information together from areas to edit in final format for Carter?

**Subject:** Announcement and information Request

Carter,

I have one announcement and one information request.

Pro Tem-designate Schulz has announced Sen. Standridge as the Chair of the Subcommittee on Health and Sen. Yen as the Vice-Chair. The Subcommittee has also been broken up into two Subcommittees to match the House and to go back to the FY'09 subcommittee structure. The Health Subcommittee will include The Health Department, Health Care Authority, J.D. McCarty Center, Department of Mental Health and Substance Abuse Services, University Hospitals Authority, Oklahoma State University Medical Authority and the Department of Veterans Affairs.

Attached you will find the FY'18 Budget and Performance document to be filled out for this year's budget and performance hearing. I have also included last year's document as well as the Mission and Governance document. As in the years past, please fill in the Budget and Performance Review document and update the Mission and Governance document. Please return these updated documents to Stacy Johnson ([Stacy.Johnson@okhouse.gov](mailto:Stacy.Johnson@okhouse.gov)) in the House and myself by December 29<sup>th</sup>. As of right now, the tentative dates for budget and performance hearings will be the weeks of January 23<sup>rd</sup> and January 30<sup>th</sup>. If you have any questions, I will be in the office today and tomorrow and out for CLE on Thursday and Friday.
